# THREE SOLID DOOR REACH-IN REFRIGERATOR

MODEL:  BRF-3D-SS

BRF-3D-SS

Berg's 3 Solid Door Reach-In Refrigerator is constructed of heavy duty stainless steel both inside and out making it strong and durable enough to survive any kitchen environment. The cooling unit is bottom mounted and slide out for easy maintenance and cleaning. This model comes with 4" casters and plastic coated wire shelving that is easily removable to adjust the shelf height. The front digital controller and LED readout makes it easy to adjust the interior temperature. This model is ETL Listed and ETL Sanitation. It's backed with a 2 year warranty on parts and labor and a 5 year warranty on the compressor.

## FEATURES AND CONSTRUCTION

- Exterior is constructed of 430 stainless steel including doors
- Interior is constructed of 304 stainless steel
- The cabinet is insulated throughout with a foamed-in-place high density cell polyurethane insulation
- Recessed handles are built into the door for easy opening and closing
- Environmentally friendly R290 refrigerant
- LED temperature controller provides a digital display of cabinet temperatures and allows for easy temperature adjustments when necessary
- Bottom mounted cooling unit slides out for easy cleaning and maintenance and allows for storage area on top of the unit
- Includes 4" casters
- Bright LED lighting
- Self closing door
- Removable door gasket for easy cleaning
- Adjustable plastic coated steel shelves that have a load capacity of up to 90 lbs per shelf
- Locking door(s) keep items inside secure after hours
